PROFESSIONAL SUMMARY

Customer-focused team member with guest-facing experience since 2021 in fast-paced restaurant and caregiving roles. Skilled at peak-hour service, close teamwork, and calmly resolving difficult interactions. Quick to learn new systems, including POS. Currently a student at the University of Oklahoma.

CORE SKILLS

Customer Service: Guest service, complaint resolution, de-escalation, quality standards
Teamwork & Operations: Kitchen and front-of-house coordination, high-volume transactions
Systems & Administration: POS systems and troubleshooting, scheduling, recordkeeping, confidentiality

PROFESSIONAL EXPERIENCE

Homewatch CareGivers April 2024 – October 2025
Office Assistant and Companion Caregiver

- De-escalated difficult situations through calm, compassionate communication with clients and families.
- Coordinated client schedules and administrative workflows, maintaining accurate digital records.
- Set up and troubleshot virtual-care hardware and software so clients could connect with family remotely.
- Handled sensitive client information and feedback with discretion.

Waffle Champion November 2023 – July 2025
Front of House Specialist and Expo

- Served guests and processed high-volume transactions in a fast-paced restaurant.
- Kept kitchen and front-of-house in sync on order status, resolving delays to keep service on time.
- Fixed POS hardware and software issues during peak hours, minimizing interruptions to service.

Chick-fil-A June 2021 – August 2022
Front of House Team Member

- Rotated across multiple front-of-house roles while consistently meeting strict quality and service standards.
